ABOUT

Hello, it's nice to meet you! My name is Andrzej and I am 24 years old **Designer & Developer**, located in Wroclaw, Poland. Currently looking for a new job experience. In 2016 I graduated from **Applied Informatics** at the Cracow University of Economics with **Bachelor's Degree**. I am always up to developing myself and gaining knowledge, what results in having **3 years of experience** as Front End Developer and Web Designer. During this time I have had an opportunity to work both on my own as a freelancer and as a part of a team of two agencies. It may sum up to **more than 100 Web Designs**, thousands lines of code, a couple of logos and numerous infographics and banners.
